

Tensioning Pump & Hose

Pump: -

✚ Ultra high pressure air driven hydraulic pump unit

Max working pressure: - 1750bar
Automatic pressure stop: - 2000bar
Tank capacity: - 4 litres.

✚ Hand operated hydraulic pump

Max working pressure: - 1800bar
Tank volume: - 2.2 litres.

Hose: -

✚ High pressure thermoplastic hose

Max working pressure: - 1800bar
Burst pressure: - 4500bar
One end quick release ¼" BSP coupling & other end ¼" BSP nipple

Air Driven Hydraulic Pump

Hand Operated Hydraulic Pump
